

Admissions Policy

All applications are dealt with on a case-by-case basis. Applications are accepted via post, phone, email or in person. All students must complete the application process, which may include a level or other tests where appropriate.

The criteria for admission do not take account of race, gender, age, disability, religion, sexual orientation, politics or any other criteria or distinction. With regard to students with a disability, we make relevant reasonable adjustments based on our professional assessment to support their study needs. The Academy may refuse to accept a student if we feel that we are unable to make the reasonable adjustments necessary to meet the needs of the student, on medical or disability grounds.
